plants

Humega®

Product Technical Data Sheet

Humega® is a biologically enhanced product that may aid in the availability of micronutrients. Humega® when mixed with other fertilizers, complexes fertilizers by attaching them to a carbon molecule which then helps increase their absorption rate.

Guaranteed Analysis

Humic Acid 4.00%

Derivation

Humic Acid is derived from leonardite, a non-plant food ingredient.

Density

8.80 lb per gallon

1.05 kg per liter

Product Support

Consult your BioLynceus® Environmental Concierge™ for product support, application information and current pricing.

Storage and Handling

Store in original container in a cold dry place out of direct sunlight. In case of accidental exposure, flush with water. Product is non-hazardous. May stain clothing. Wear eye protection. Protective gloves recommended.

Keep Away From Children - Not for Human Consumption – Do not allow product to freeze.
Note: buyer assumes all risk of use, storage and handling of this material. Neither the manufacturer, seller, nor its agents, make any warranty, expressed or implied, concerning this product, except in conformity with statements on the label. Information regarding this product can be obtained from BioLynceus.

Information regarding the contents and levels of metals in this product is available on the web at <http://www.aapfco.org/metals.htm>

Application Details

Humega® can be used on all crops. Side dress or water run 10 to 40 gallons with a minimum of 20 or more gallons of water per acre. Can use through drip or pivot.

Directions for Use

Use alone or with conventional fertilizers, nutrients, pesticides and fungicides. Rotate before use. Product is non-hazardous. Use at least 10 days after soil fumigation. Use with all irrigation systems, including drip, pivot or sprayer.

Compatibility

To ensure ease of mixing and application, dilute with sufficient amounts of water. Jar test new mixes. Do not mix with soil fumigants, aqua ammonia, sulfuric acid or urea sulfuric acid.

Do not allow product to freeze

This product is distributed by BioLynceus® Environmental Solutions. Humega® is registered and manufactured by Global Organics. Humega® is listed by BioFlora Systems with OMRI.
